2. ERYC Councillors

Mr Andrew Waters raised the issue of the emptying of the brown bin at the church again. Given ERYC now class the church as Commercial Premises and therefore the waste is business waste. There is not much the Parish Council or the ERYC Councillors can do. It was agreed not to write to ERYC but that Cllr Prescott and others would remove the leaves/garden refuse if this became an issue.

Cllr Beaumont raised the informal network meetings to be held by ERYC to hear Parish Council issues and the letter from Newbald Parish Council. Some Parish Councils don't have the same issues as us much depends upon the population of the Parish. See below 7ii and ANO Business.

Cllr Prescott raised that he intended to prune a hawthorn bush on the verge opposite Mr and Mrs Kerwin's house on Cherry Garth. It was dangerous and he had been contacted by a resident.

The subject of the issues with speeding and road noise on B1248 were discussed again. Cllr Greenwood had been to the village and commented on the dangerous bend at the end of North Road and how difficult it was to get out due to speeding cars and motorbikes. She suggested that we should write again to Paul Tripp copy Paul Belotti with photographs explaining that the Ward Councillors had experienced the issues.
